

K-LOVE radio station is very important to my family and community. I can let my young children listen to it any time of day and know that there will be nothing offensive. There are no commercials, and I help to support this with my financial gifts. This is also important to us as they interrupt the uplifting music and sometimes commercials are offensive, too. The service provided by K-LOVE is in the public interest because of the emotional joy and support it provides to it's listeners.

Thank you,
Stephanie Bosma :)
